Why the Martlet and where does it come from?

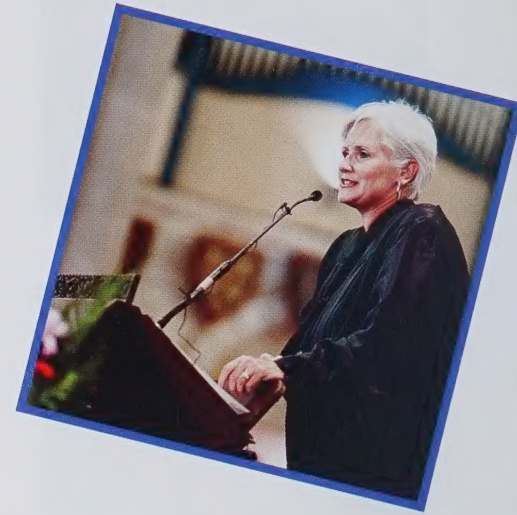

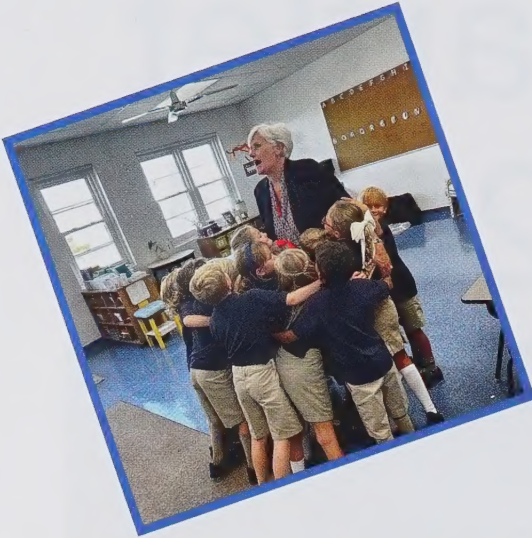

A Martlet in English heraldry is a mythical bird without feet which never roosts and is continuously flying.

It is an allegory for continuous effort. It is used by many of educational institutions on their coat of arms.

The inability of the Martlet to land is said to symbolize the constant quest for knowledge, learning and adventure.

Martlets appear in the arms of Worcester College at Oxford University, of Magdalene College, Pembroke College at Cambridge and McGill University in Montreal.

Message from the Head

Dear Saltus Community,

As we conclude the 2023-2024 school year, I am filled with pride and joy reflecting on the tremendous progress we have made together. This is my second year at Saltus, and I am thrilled to witness the incredible achievements of our vibrant community. Congratulations to our students for their hard work and accomplishments, and heartfelt thanks to our dedicated faculty for their unwavering commitment. The caring relationships between students and faculty are crucial to the success and well-being of our students.

As you browse through this year's yearbook, I hope you see yourselves reflected in the fabric of the Saltus community. We have been incredibly impressed with student leadership this year, from our dedicated Prefects and Student Council to our Gold Key members, new Social Media Ambassadors, and many more. We are very proud of how our students have embraced the various learning experiences offered at Saltus. There are numerous opportunities to try new things, step outside your comfort zone, and shine in your area of passion.

This year has been particularly significant as we introduced our new school values: Belonging, Respect, Integrity, Courage, and Empathy. We are pleased with the positive impact these values have had on both the learning and working environment at Saltus. Our values will continue to guide our choices, conduct, and interactions, leaving a lasting impact on our community.

I wish to thank everyone who contributed to this yearbook, capturing the essence of Saltus—a place where these values guide our relationships, learning, and work, ensuring a legacy that will endure for years to come. I am grateful for each member of our community who has made this year so very special. In closing, I'd like to thank Ms. Chichon and wish her all the best in her retirement. After 28 years at Saltus, Ms. Chichon leaves a long lasting legacy of devotion not only to the students for whom she guided and supported so well, but also to the entire Saltus Community. Thank you Ms. Chichon for your incredible contributions to Saltus. You will be dearly missed.

Warm regards,
Julie Rousseau

Welcome to the Primary Department!

Jeanne Bean
Director of Primary

As we reflect on another incredible year, I am filled with immense pride and gratitude. We have dedicated ourselves to providing exciting and enriching learning opportunities as we build confidence and develop a love and thirst for knowledge. Our inclusive and ambitious curriculum empowers children to become independent and resilient learners, always ready to embrace new challenges.

This year, we have focused on our Saltus Values – Belonging, Respect, Integrity, Courage, and Empathy. These core principles have guided our actions and decisions, fostering a supportive and inclusive community where every student feels valued and respected. By embracing these values, we have cultivated an environment where integrity is upheld, courage is encouraged, and empathy is practiced daily.

We are passionate about developing confident, happy learners who are motivated to achieve highly, show respect for others, and have the determination to do their best. Success is celebrated in our school, creating an environment where every student can thrive.

As we celebrate the achievements of this academic year, I want to thank our dedicated staff, supportive parents, and, most importantly, our wonderful students for their hard work and commitment. Together, we continue to build a school where every child feels valued and empowered to reach their full potential.

Director of Secondary

Welcome to Secondary!

The 2023/2024 school year is now resigned to history, and we can officially report it was a year of successes and challenges, opportunities and accolades, and definitely one of positive growth on all fronts.

Shayne Scott
Assistant Director of Middle School

If we can use one word to encapsulate the school year it would be 'adaptability'. Students, like always, had to adapt to a new year level, new classmates and teachers, new ways of learning, new challenges and new opportunities. As a school we adapted to implementing a new curriculum, a new advisory programme and a new set of values.

Lorne Nannini
Assistant Director of Senior School

In order to adapt successfully, the Saltus community has leaned upon the strong foundation of the school which is summarized perfectly in our mission statement.

To inspire a passion for learning and independent thinking through a commitment to academic excellence, personal integrity and service to others.

The Secondary administrative team salutes our graduates and welcomes our new students as we say goodbye to this school year and look forward to the next.

Debate and Public Speaking

Saltus has had another busy year of debating and public speaking with lots of opportunities for students in school, nationally and internationally. Ms Turner has worked with the Saltus Debate club running weekly practice debates with topics like, ... which was great preparation for the November's National Debate Tournament which was held at Saltus in November 2023. Saltus fielded teams in both the middle and senior school categories and . Amidst the rebuilding phase post-COVID, our students, many of whom are new to debating, showcased exceptional hard work, meticulous planning, and a commendable performance against competitors with more experience. Although victory didn't come our way this time, our students demonstrated resilience and a hunger for knowledge.

Student Debaters

Senior: Tera Hassen, Callie Lucas, Christopher Madeiros and Charlie Bernstein, Ryan Kronenberg and Edward Tudor Thomas

Middle: Caitlyn Korff, Lillian Masters, Charlie Tudor-Thomas.

In October 2023, Mrs. Dakin and Ms Turner took a teams of 5 Y10 students to compete in the International Independent Schools Public Speaking Competition (IISPSC) in Vancouver where Crofton House and Littel Flower School co-hosted the 2023 tournament . This tournament tests students' abilities to think of their feet, to listen with intention, to research widely and deeply and to embody empathy and compassion as they explore and debate topics with a myriad of perspectives and stances. . The competition is always fierce with each school sending a team of their strongest students from Y10- SGY2 (grades 9-12). Each student must compete in 3 of the 9 very different categories, demonstrating a range of public speaking skills and competencies. We are very proud of how our students competed and how they displayed true Bermuda spirit and were great island ambassadors. We are excited that Saltus will be co-hosting this tournament, for the very first time in Bermuda in October 2024!

IISPSC Public Speaking Team: Catalina Gamero, Callie Lucas, Christopher Madeiros, Noah Maranzana, Lorenzo Pesci

In February, Saltus hosted the 14th annual Spring Debating and Public Speaking Tournament which gave middle and senior school student from across the island the opportunity to compete in both World School Style Debating and Public Speaking categories. Ms Tuner, Ms Gibbons, Mrs Dakin and Ms Hausselman organised and hosted this year's event with a huge amount of support from the student body and our amazing Saltus community. This was a good trial run for the larger international competition that will be hosted in October.

Saltus were the over all runner up team for the Middle School Public Speaking Category and Jordan Williams won the Top Speaker award. In the Senior School division of public speaking, Saltus narrowly missed first place and were awarded the runner up trophy. Saltus students won a number of awards in the various categories and we are very proud of their efforts and accomplishment. In the debating division Christopher Madeiros won the top overall senior school debater and award. We are proud of all of our competitors- Go Knights!

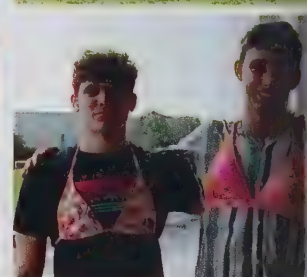

Our Public Speaking Middle School Team, comprised of: Jordan Williams, Liam Sheehy, Casper Penz

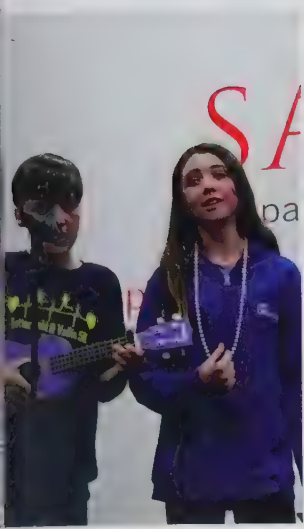

Our Public Speaking Senior School Team, comprised of: Callie Lucas, Christopher Madeiros, Romari Ruddock

Senior School Debate team: Callie Lucas, Christopher Madeiros, Catalina Gamero, Andrew Cox, Kiljali Jean -Marie, Magnus Marsh

SPIRIT WEEK!

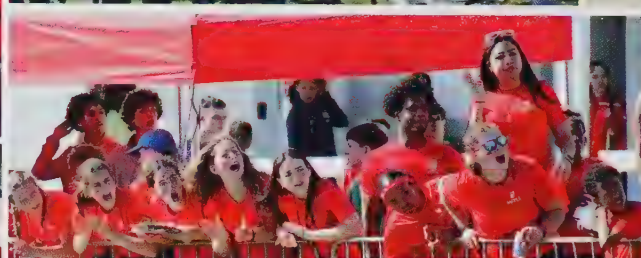

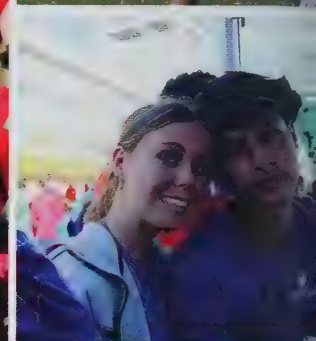

The annual spirit week was a huge success. We saw the inaugural inter year group football tournament, which was won by Year 9 and our Roshambo (Rock, Paper, Scissors) competition won by Isla Paddison, Themes included multiples day and tropical day and anything but a back pack! The talent show was once again a huge success with some great acts that really highlighted the many skills at Saltus. The winner this year was Ewan Foster.

Secondary School Sports Day!

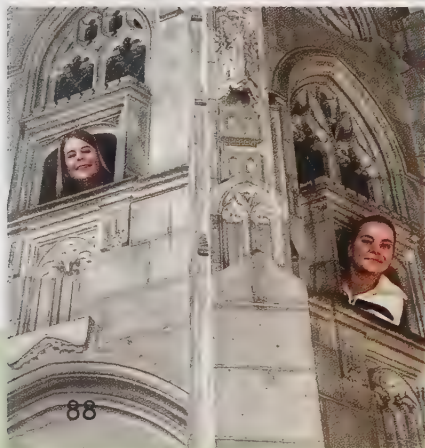

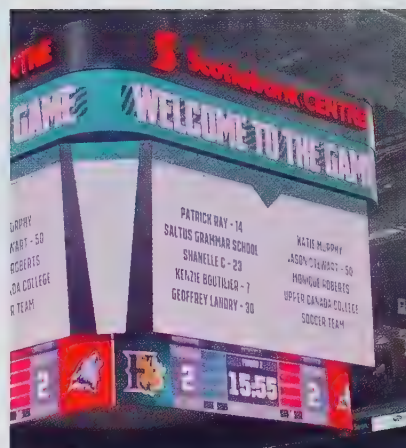

Another great sports day organised by the PE department. Always a great mix of fun and serious events. And a historic win for Watlington after a 10+ hiatus!

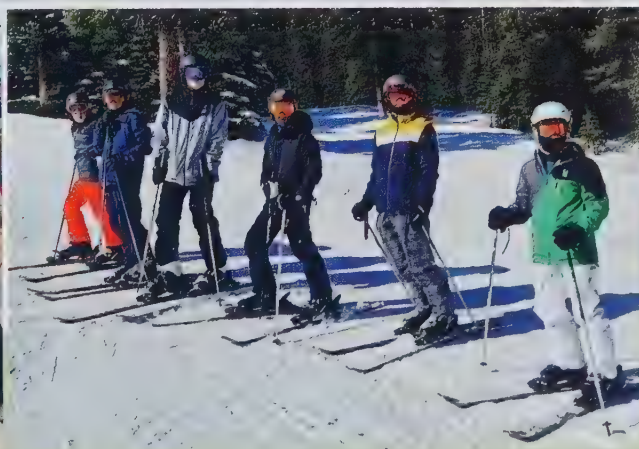

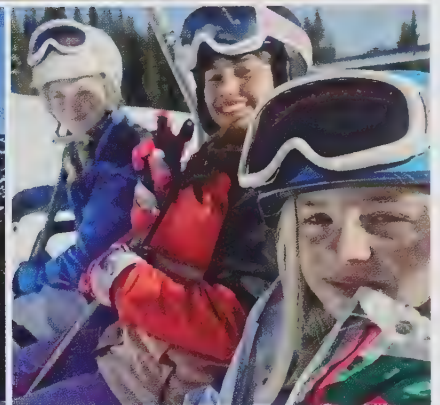

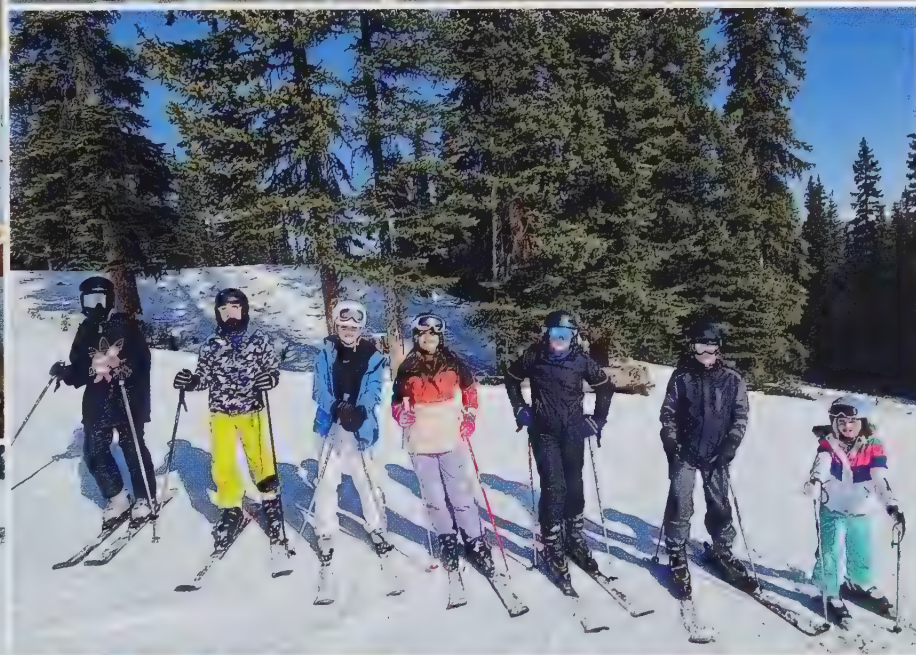

Canadian Universities Trip

After a hiatus due to Covid the Canada trip was back. SGY 2 student visited a range of universities and colleges across Ontario and Nova Scotia.

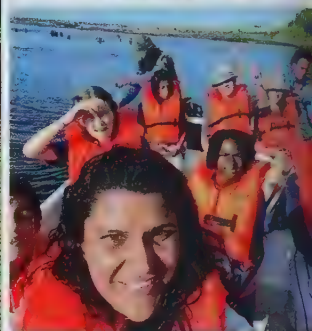

Ski Trip

Once again the popular ski trip returned to Jasper, Alberta. Students from Yearr 7-9 had a great time!

Costa Rica Trip

Students from Year 7, Year 8 and Year 9 spent an exciting week in Costa Rica. They submerged themselves in the culture and the wildlife and deepened friendships along the way!

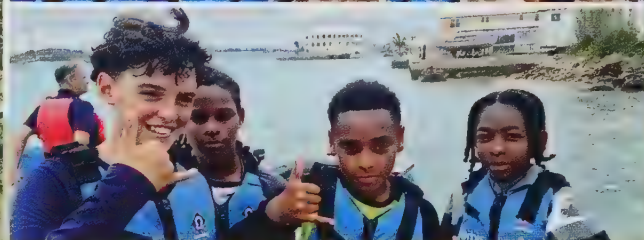

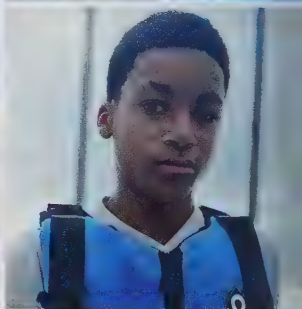

Spirit of Bermuda

Year 9 spent a week navigating around Bermuda, learning about the island and deepening their sailing skills. For many students this is a trip that creates lasting memories,

Endeavour

Students from Year 7 spent time in St, Georges and Dockyard sailing and developing STEAM skills. This year the students were lucky enough to spend some time with Sail GP.

Dear Students,

Your exam results will not define the rest of your life but the way they make you feel about yourself may.

Learning is lifelong.

Education is all things.

Don't let your results say more about yourself than your actions, your energy and your efforts, do.

You can decide what learning you undertake next, my loves.

This is just a step on a ladder with infinite reach.

Be bold.

Try your absolute best but most of all stay you.

Your self worth and your exam results should not be stitched together.

A Teacher

An Encourager, a Motivator, a Listener and a Guide, a Kind and Gentle Force, forever by my side. A multitasking inspiration, full of cool ideas, helping me to open doors, and conquer all my fears! A juggler of many roles, a hero through and through, a go getter, a goal setter, my what, why, where and who! A planner, a deliverer... pulling us together, an all round amazing human who changes lives forever!

Nicole Chichon

After 28 years of invaluable contributions to our community, Ms. Nicole Chichon, Deputy Head (Student Life), is retiring from Saltus this year. In her tenure at Saltus, Ms. Chichon has valued the relationships that she has built with family, friends, colleagues, students, and alumni.

Ms. Chichon has seen many changes at Saltus in her time here. When she arrived the Gosling Building hadn't yet been constructed, students were in portables on the Woodlands lawn, class sizes were larger, and there was no air conditioning throughout the school! Despite the tides of change, Ms. Chichon reaffirms with pride that one thing that has remained a constant is how incredible the students of Saltus are.

It is her commitment to the care and wellbeing of our students that has fuelled her desire to help create and support the introduction of our school values of belonging, respect, integrity, courage, and empathy as well as to introduce the One Trusted Adult programme to Advisory this year.

The Saltus Community has benefited greatly from Ms. Chichon's dedication to the students and her colleagues, and she will be greatly missed. Her contributions have shaped the fabric of our school. The impact of her work will be felt for years to come. We wish you all the best in your next adventures Ms. Chichon.

Warmly,

Julie Rousseau
Head of School

Julie Rousseau

You will be missed...

The 2024 edition of The Martlet was printed by Jostens Yearbooks of Clarksville, TN.

The Yearbook Committee created 144 full colour pages on 100% gloss paper.

The Martlet was produced using the Jostens Yearbook Avenue. Without this technology The Martlet would still be created by hand.

This year, The Martlet would like to thank Mrs. Chichon and Amy Colmet for the layout, content, and photographs featured in the yearbook, as well as the rest of the yearbook team and photographers, Katie Adams, Keira Burchall, Alexie Burgess, Jamie Colmet, Ceyarie Jackson, Allayna Fox, Jordan Mello, Elizabeth Davidson, Roxanne Trott and Khyii Perinchief for all of their work as well.

It is due to the efforts of the Yearbook Committee along with the efforts of Mrs. Chichon that this book exists.

For many of us the yearbook was a challenge this year, adapting and learning how to use the programs! We hope that you enjoy the Yearbook and that you will treasure it as a keepsake of your memories.

Thank you!

Secondary Yearbook Committee 2024

From Ms. Chichon...

28 years at Saltus, this will be my final message to the community—a bittersweet moment indeed. As Charles Dickens said, “it was the best of times...it was the worst of times.”

I joined Saltus in 1996 as a French and Spanish teacher and felt at home immediately. Saltus has been a constant in my Bermuda life. I met my husband through Saltus, got married while teaching here, and had my daughters Maya and Alyssa, who both attended and graduated from Saltus. This school has truly been the backdrop of my time on the island.

Throughout my career at Saltus, I've made countless friends and worked with many amazing colleagues and students—over 15,000 of them! My loud voice, sense of humor, relationships with staff and students, sartorial elegance, and high-heeled shoes have been part of my identity here.

As my time at Saltus ends, it is not a final farewell but an 'hasta luego.' I hope my contributions have left a lasting impact, and I trust that the foundation I've helped build will inspire others to continue the journey, knowing they have big and high shoes to fill.
